Exam Prep is a preparation class in the subjects of Adapt Jazz and Adapt Tap. Learning basic fundamentals to be later applied to Exams, there are three classes for each age group.

Play-based Pre-Ballet (ages 3-6)

Play-based Pre-Ballet is a fun way for children to explore movement through music, develop physical skills, channel energy, stimulate imagination and promote creativity. This class blends movement, music, improvisation, and basic dance steps while providing an introduction for the future study of all dance techniques. This class is a combination of Creative Movement, Pre-primary Ballet, and Primary Ballet classes.

*The Graded Examination Syllabus consists of Pre-Primary, Primary, and numbered Grades 1-8. Each grade incorporates classical ballet, free movement and character dance. The syllabus is devised to progress in difficulty from one grade to the next and a student studying the grades in sequence would be expected to develop a greater degree of dance technique at each level:

Grade 1 Ballet (ages 7-11)

Grade 2 Ballet (ages 7-11)

Grade 3 Ballet (ages 7-11)

*The Vocational Graded Syllabus is designed primarily for older children or young adults who are considering a career in professional dance, as a performer, teacher or in another capacity. The vocational syllabus is technically demanding and comprises only Classical Ballet and Pointe Work. Students choosing to study this series of awards are required to be competent in the fundamentals of ballet technique and movement vocabulary.
